Student Loan Fund Will Have Film Based on Hugo's Masterpiece Shown Here Tonight and Tomorrow Night

The Queen Is Crowned . . .

It was a momentous occasion Thursday night on the Northwest Missouri College campus—it signalled the opening of 1953 Homecoming activities and its queen was crowned. Above, in the act of crowning Miss Joyce Brown is Frank Bayless. At the left is Roy Nethken and Audra Williams, while at the far right is John Russell. The attendant at the left is Miss Roberta Kordes while the two at the right of the queen are Miss Carole Kay Trotter, standing, and Miss Joy Ann White.

"Les Miserables" Is Movie Selected for Tivoli Benefit

An opportunity to see the outstanding film "Les Miserables" and at the same time to support the Student Loan Fund of the Northwest Missouri State College will be given to members of this community Wednesday and Thursday evenings, October 28 and 29, at the Tivoli theater.

According to Dr. Sterling Surrey, chairman of the Student Loan Fund, "Les Miserables" will be the first of the annual benefits which the Tivoli owners, C. E. and Jim Cook, plan to hold each year for the fund.

This film, story of the book by Victor Hugo, starring Michael Rennie, Debra Paget, and Edmund Gwenn, and directed by Lewis Milestone, will be shown at regular prices with proceeds from both Wednesday and Thursday performances being turned over to the Loan Fund. Performance will begin each night at 7:15 and 9:15 and there will be a matinee on Wednesday at 3:00.

Tickets may be obtained in advance from the College Business Office or the Tivoli Theater box office. Seats will also be available for individual performances at the box office.

Victor Hugo's masterpiece, the

tale of "Les Miserables" tells the story of Jean Valjean's (Michael Rennie) conviction to prison for stealing a loaf of bread and his hatred for Javert (Robert Newton), who was responsible for his imprisonment. Valjean is befriended by the village bishop (Edmond Gwenn) and Fantine (Sylvia Sydney) and Cosette (Debra Paget). The story is packed with dramatic, thrilling action, dealing with the relentless pursuit by Javert of Valjean.

Statistics released by the Student Loan Fund committee show that during the four years the fund has been in operation it has loaned out \$38,000 and has enabled more than 350 students to continue their college educations. To date losses have been less than one-half of one percent.

The annual benefiting film which the Cooks are inaugurating at the Tivoli with these performances of "Les Miserables" is one feature of an intensified campaign now being conducted to obtain additional money for the Student Loan Fund and make it possible in the future to give aid to all deserving applicants. Service organizations throughout the Northwest Missouri College district have been contacted in an effort to secure additional funds.

"For every two students we have been able to help, we have had to refuse at least one," Dr. Surrey pointed out. "We hope that the response to our fund appeal will be so generous that we will no longer have to turn down any students who merit aid."

The first two service clubs to make donations to the Loan Fund in response to pleas sent to groups throughout Northwest Missouri have been the Business and Professional Women's Club of Savannah, and the Lions Club of Westboro.

Speech Clinic Is Scheduled

The speech department requests the cooperation of the faculty in reporting the names of students with speech defects. This includes those who do not speak clearly, those who stutter, those with physical abnormalities which affect speech.

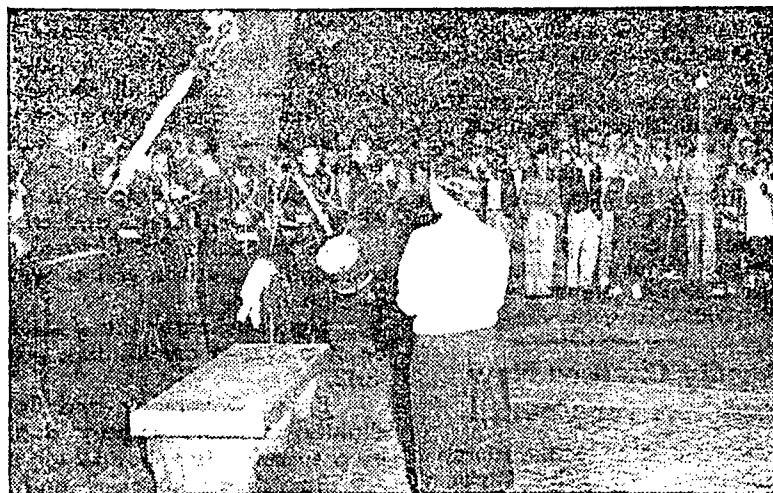

The department is undertaking development of a clinical program. Names should be forwarded to Miss Jean Kinnie.

Foster Says:

"Mid-term week is November 9-13—a word to the wise!"

Miss Violette Hunter's mother, Mrs. J. F. Hunter, underwent major surgery Monday.

The Bearcat band provided the booming inspiration while students at the College took part in a pep rally and bonfire after the College Variety Show Thursday night. It was a part of the annual "hex" event for homecoming. The Green and White football players were cheered and sent on their way to victory over the Warrensburg Mules in Saturday's game. The crowd's hopes that the record of the Bearcats never having been defeated in a homecoming game remained intact. The game started at 2:00 o'clock in Memorial Stadium, with some 30 high school bands also in attendance on Saturday.

. . . Let's Go, Bearcats

Thank You

THANK YOU ONE AND ALL for helping make the 1953 Homecoming such a wonderful time!

Maryville Will Emphasize "Religion in Life Program"

Religion in American Life, a national non-sectarian program to strengthen the place of religion in personal community life, will be emphasized in Maryville during the month of November. Over-all chairman for the local program is Harry Price, who will be assisted by Mrs. Tom Mooberry as vice-chairman and by the Rev. D. Franklin Kohl as advisor.

This program, running throughout the month of November, seeks to emphasize the vital importance of religion in American life and to urge all Americans to attend and support the church or synagogue of their choice.

A National Laymen's Committee, headed by Charles E. Wilson, director of Defense Mobilization, sponsors RAIL. This year the committee anticipates spending an estimated \$5,000,000 to carry out an intensive advertising program under the general slogan, "Light their life with Faith."

Maryville's civic and social organizations as well as the churches are cooperating in the program and assisting in providing the necessary funds for the advertising. Newspaper advertisements, window posters, billboards, postal cards, church bulletins, and television and radio programs will constantly remind the community of this worthwhile effort.

Important

All organized extra-curricular activities must be scheduled with the Director of Student Activities. Approval must be gained in advance as to time, place, and purpose of the meeting.

The schedule of the main auditorium and classrooms for activity purposes, the use of meeting rooms in the Union and other facilities are under the administration of the Director of Student Activities. Disregard of this fact has caused some unfortunate conflicts.

Speaks at Bethany

Dean W. A. Brandenburg was the speaker at the monthly dinner meeting of the Men's Church and Community Club in Bethany on Monday night, October 19. His topic was "The Larger Design."

Lucile Cummings, Outstanding Contralto, To Be Here Friday

Miss Lucile Cummings, an outstanding contralto, will appear at an assembly here on Friday, October 30, at 10 a.m.

She is as delightful and easy to meet as she is to hear and she has

Kindergarten Pupils Have French Lessons

Mrs. Elaine Mauzey is doing a very unusual thing in teaching French to the kindergarten students at Horace Mann.

She uses puppets in conversation. Action games are used to demonstrate the French word the children are learning.

Ten minutes a day is all the time that is spent on the study. Already the children know two songs in French and several phrases.

Mrs. Mauzey says, "The children's enunciation is wonderful. They remember so much of what they have been told."

Residence Hall Girls Elect Dorm Council

Dorm council members and officers of Residence Hall have been elected.

Members from the third floor are Darlene Stamp, Sally Bolin, and Bette Belle Pitts. Second floor are Bonnie Henderson, Bonnie Campbell, and Jane Dyer. Girls from the first floor are Beverly Moore, Ruth Wall, and Georgia Harnes.

Officers are Marilyn Gilliland, president; Lynnette Hankins, vice-president; Darlene Stamp, secretary; and Ruth Wall, treasurer.

In Appreciation For Efforts

Always the work done for Homecoming on this campus means the cooperative efforts of a good many individuals. Irritations, loss of sleep, sacrifice of time needed for other things, disappointments—all these things and many more are common experiences. To all of you who contributed your time and talents in any manner whatsoever, we wish to express our personal gratitude. Unfortunately, it cannot be said that all committees and groups needing help received one hundred per cent response from their members, other students, or faculty. Fortunately, we can say that the majority of the campus family had some part in the celebration.

The College is deeply indebted to all of you who responded. We hope that you derived some measure of satisfaction from taking part in a creditable venture. Please accept our humble personal thanks.

Music Faculty Gives Recital, October 21

Mr. Gilbert Whitney, baritone, sang the following selections: "Thanks Be to Thee," Handel; "Anna Mia" Handel; "At Night," Rameau; "Hard Trials," Burleigh; and "The Rose Tree," accompanied him on the piano.

Mr. Donald Sanford, violinist, accompanied by Mrs. Mary Jane Sanford on the piano, played the following: "Intrada," "Sussex Lullaby," and "Autumn Sketches," by Alan Richardson.

Miss Ruth Miller, pianist, played "Polonaise in G Minor" and "Berceuse," Chopin.

Mr. John Smay, clarinetist, accompanied by Mrs. Mary Jane Sanford on the piano, played the following selections: "Trois Pieces—Melody," "Piece Dana le Style Ancien," and "The Rose Tree," by Rene Boisdeffre.

Dies after Shot

Terry Marie Long, eight-year-old niece of former student Jean Long, died suddenly in Kansas City after being given a tetanus shot.

THE STROLLER

Every week a new diamond is in evidence. Congratulations to Joy Ann White and Bill Lynch.

Those rattling radiators at Residence Hall can be very disturbing. Just ask Marilyn Brown or Frances Seat.

The library seems to be rather sadly neglected lately. Homecoming skits, floats, and house decorations have been so much more attractive than those stacks.

Some pretty snazzy looking outfits were seen at the Homecoming Dance Saturday night, red and black velveteens, navy suits, knit dresses of every hue in the rainbow, white shirts and dazzling ties—WOW!

Someone will have to get a flashlight to blink in the eyes of Bob Mock and Patty Crouse. They can't see the lights by the door of the dorm—even when they're sitting right in front of it.

Dean Brandenburg Says—English Proficiency Examination Will Be Given by Faculty Soon

"This is a slack time; so I really haven't any news to report."

To see his desk one wouldn't think so. Books and papers were scattered all over, and for a few minutes he was so busy that he was unable to talk to the reporter.

Dean Brandenburg seemed pleased about the transcopy duplex machine which the school now has for making transcripts. It is used by the registrar's office and will facilitate the duplicating of students' records.

Unknown perhaps to him, Mr. Brandenburg's friendly hand wave adds to the morale of the student body. One day in front of his home he was seen waving to people in four different cars in rapid succession—an excellent example of the old proverb, "A man that hath friends must show himself friendly."

Twenty-Four Judges Make Decisions For Homecoming of 1953

Judges for Homecoming were as follows: Variety Show—W. R. Bing, Mrs. Ray Cushman, Mrs. Harry U. Schmidt, Delbert Osborne.

Floats, Class A—Richard Wiles, Mrs. Mary Lee Wilkerson, Rev. Monk Bryan, Mrs. Robert E. Dunshie, Mrs. Hine Cameron, Montgomery Wilson.

Students take this test the semester following their completion of forty-five hour credits. Subject matter for the test will be a film strip, a short movie, or a reading of descriptive literature presented to the students at the beginning of the examination. Students then write describing what they have seen or heard.

Each paper is read by five members of the faculty drawn from departments other than English and Speech. The papers are identified by number only and readers work independently of each other. A paper receiving three adverse notes will be graded "U."

Students receiving a grade of "U" on this examination are required to register or re-register as the case may be for English 15, Grammar and Composition, in the semester immediately following.

After passing English 15 the student is again required to take this examination. Credit for English 15 is allowed only once.

Passing the English Proficiency Exam is a prerequisite for registration in directed teaching courses as well as for graduation with any degree.

Students receiving an "I" grade in English IIB are required to take English 15 the semester following and before taking the English Proficiency Test.

Kappa Omicron Phi Do Actives Live Up To Ideals?

Kappa Omicron Phi alumni, actives and pledges were guests at a coffee hour, Saturday morning, Oct. 24, at the home of the hostess, Miss June Cozine. An autumn theme was carried out in the table decoration with fall fruits and flowers.

Red and orange rolls, candied fruit peel, and coffee were served. Miss Mabel Cook, Miss Anita Rice, and Miss Louise Johnson assisted the hostess. Bonnie Henderson and Irene Schmitz assisted with the serving.

"All but one foot in the grave" was the theme of the homecoming house decoration of Kappa Omicron Phi and Colhecon. The display was erected at the home management house.

Joan Kowitz, president, has announced a dinner meeting at 5:30 in the Union tonight.

I have had the opportunity during the past few years to read the pledge manuals of our sororities and fraternities. They are excellent statements of ideals, customs, traditions, and desirable traits for organizational members. As I observe the manner in which "actives" put the "pledges" through a course of training in these behavior patterns I am impressed with the opportunity that all the members have to set a year-round example of the things they tell the pledges their organizations represent.

As I understand the purpose of these groups, the importance of their existence should be centered around superior social behavior. This should naturally develop such characteristics as integrity and honesty in everyday living.

What I am trying to say is that if the active members would live up to the ideals in the MANUALS all the year round the reputation of this college would become world wide as an example of outstanding students in the matter of their social behavior.

Independent Club

Every member of the Independent Club really worked to add to the general success of Homecoming. The club had entries in all divisions.

"Stairway to the Stars," the float, was a beautiful shade of blue and so was Corky Elliott by the time he got the napkins sprayed.

Many long hours were spent constructing Oswald for house decorations. Marilyn Brown, Claudia O'Dell, and Frances Seat, during one late session with Oswald, began hearing strange noises. With the help of Rolande Thompson and Louise Novinger, the noise was traced down. It was Carolyn Criswell's radiator. Heard any more strange noises lately, girls?

Bob Lafferty seems to have been the little man who was always there when anyone needed a photographer, engineer, artist or any other help on Homecoming.

Lighting was an important factor in the skit, "Leisure Island," and was capably handled by John Lee Thompson.

Homecoming is over and it is time to start thinking about the many future Independent Club activities, the all school square dance, workdays, and lots of fun.

Dramatics Club

On October 19, the entire meeting of the Dramatics Club was devoted to the study of juvenile make-up. The sponsors, Miss Jean Kinnie and Dr. Ralph Fulson, explained and demonstrated the basic principles of applying make-up. At the same time, two members followed their instructions and "made-up" Colleen Beggs and Charles Gorton.

During the business meeting, the group discussed the possibility of taking a trip to see a major production as one of the group activities.

Discussion of the Christmas program will be the business for the next meeting on November 2. All interested persons are invited to try out for the cast.

At the close of the meeting, Miss Kinnie served refreshments to the group.

Pi Omega Pi

Beta chapter of Pi Omega Pi held the regular dinner meeting Monday, October 19, in the Lakeview dining room of the Union.

Final Homecoming plans were discussed and arrangements were completed for the luncheon honoring returning alumni.

Students who are eligible for membership in this honorary business fraternity include Jo Ann Meek, daughter of Mr. and Mrs. Ellis Meek of Maryville; Mary Jane Kurtz, daughter of Mr. and Mrs. John Kurtz of Maryville; and Gerald Sprong, son of Mr. and Mrs. Earl Sprong of Chillicothe.

Bearcats Explode For 27-7 Win Over Mules

Homecoming Crowd Sees Milner's Eleven Enjoy Their Best Offensive Game of the Season

Coach Ryland Milner's Maryville Bearcats unleashed their most potent offensive attack of the season at Memorial Stadium last Saturday to score a 27-7 win over Warrensburg before 5,000 Homecoming fans.

Scoring once in every quarter the local collegians gave by far their best performance of the season.

Five minutes after the opening kickoff the Bearcats scored their first touchdown. Starting from their own 45 yard line the Cats took eight plays to get into the end-zone. Darrell Walker streaked over from the two to annex the drive. He also converted making it 7-0 Maryville.

In the second period Gil Obregon electrified the Homecoming crowd by taking a Warrensburg punt on his own 15 yard line and aided by a key block thrown by Don Black went tightropeing all the way down the west sideline for the game's second score. Walker again converted, making it 14-0.

Warrensburg picked up their only score in the same period when LeRoy Gore intercepted Walker's pass on the mid-field stripe and ran all the way without a hand being laid on him. Jay Cornell kicked the extra point and the game was still too close for comfort.

The half ended minutes later without any more damage and Maryville retired to the dressing room nursing a slim 14-7 advantage.

A pass from Walker to Mickey Mallen that covered 51 yards broke the game wide open right after the second half started. From his own 49 Walker faded back 15 yards and hit the lightning fast Mallen on the 12 yard line and Mickey put on a burst of speed into the end-zone. Walker again converted for a 21-7 Maryville lead.

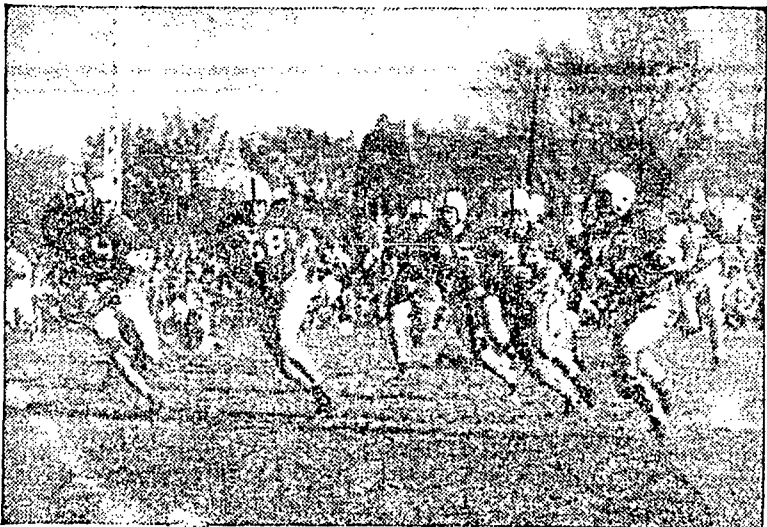

Mallen, who was filling in for the injured Don Black, wound up the day's scoring by going around right end on a pitchout for 33 yards early in the fourth quarter, a key block by Bill Norton was responsible for the touchdown. Harold Greave's attempted drop-kick for the extra point was wide of the uprights.

Neither team offered much in the offensive department in the late stages of the contest with Coach Milner finishing out the game with third and fourth stringers.

Carl Lettingwell, Ernie Hutchings, Don Palmer and Jim Gillett stood out in the rugged Maryville line that limited the Mules to a mere 42 yards by rushing. It was also their blocking that opened huge holes for the fast Maryville backs to skip through.

Walker, Mallen and Obregon were easily the best backs on the field. Playing only a short time Obregon managed to pick up 89 yards in nine carries besides his long touchdown run.

"Go-Go" Obregon Keeps Going

"GO-GO" Gilbert Obregon is seen pulling away from a host of Warrensburg tacklers in last Saturday's Homecoming fracas. Gil provided plenty of thrills with his brilliant end sweeps and managed to score the game's second touchdown on an 85 yard punt return.

'Cats Cage Squad Is Cut to Twenty By Dale Kessinger

After ten days of hard workouts, Coach Dale Kessinger has cut his Bearcat basketball squad to twenty men.

Eddie Hightree, Jameson, John Garner, Winston, and Maurice Ingram, Hopkins, head the twenty-man squad. All three earned letters last season and are counted on for plenty of duty during the coming campaign.

Lex Creamer, Union Star, Weldon Dowden and Bob Smith, both of Maryville, are squadmen from the '52-'53 unit who have survived the first cut.

Newcomers expected to figure strongly in the Green and White's tough twenty game schedule include, Darrell Flint, Martinsville, Ross Scott, Grant City, Don Holt, Lawson, Bill Churchill, Burlington Junction; Paul Clark, St. Joseph; Jim Rohak, Storm Lake, Ia.; Mike Hutchison, Kansas City; Gus Facione, Kansas City; Cud Vowels, Atchison, Kas.; Don Sharp, DeKalb; Bill Crowley, Lawson; Dave Culver, Mt. Airy, Ia.; Doug Swearingin, Mt. Airy, Ia.; and Doyle Hendrickson, Grant City.

Kessinger expects around 10 football players to report after the Kirksville game with Bill Baldwin, Ono Monachino and Jim Swaney expected to be a big help. Baldwin and Monachino, lettered last year while Swaney was a squadman who saw considerable action.

With a little more than a month remaining before the local cagers open against the Alumni, Dec. 1, Kessinger has been working with several patterns trying to find the one best suitable for the material.

Green and White Looking For Third MIAA Win

Cape Girardeau Indians led by a fleet array of hard running backs invades Memorial Stadium Friday night for the last home game of the '53 Bearcat season.

Victorious over Warrensburg last Saturday, Coach Ryland Milner's hard charging squad, will go gunning for their third conference win and fourth victory of the season against a Cape team that has experienced some rough going after a whirlwind start.

With the Maryville offensive attack going at its best rate of the year the local collegians will have to come up with another outstanding game if they are to stay in the race for conference honors. A win over Cape will put the Bearcats near the top and their clash with Kirksville Saturday, November 7, will decide the conference championship.

Naturally the Cats will have to get over Cape and that should be quite a problem.

With three-fourths of last year's team back and plenty of backfield speed in Kenny Hargens, Jerry Lee and Julian Ottolini still around the visiting Indians have a great offensive attack. Hal Yearigan a sparkling passer rounds out the backfield at quarterback.

Up front the Indians are well fortified and capable of giving the Maryville forward wall plenty of anxious moments.

Friday night's encounter marks the last home appearance of Seniors Stan Ogden, Don Black, Carl Lettingwell, Bob Dillon, Howard Davenport, Bill Norton, Don Palmer and Bob Kariger and each of these boys will be going twice as hard to come up with a victory in their last home game.

Probable starting line-up.
